

Information for Product: Anti-Static Acrylic Floor Stripper

This non-ammoniated, biodegradable floor stripper removes old coats of wax or synthetic floor finish quickly and effectively with no harsh odors. This stripper will not damage or dull flooring when used according to manufacturer's directions. Non-streaking and low foaming. Effective in hard or soft water.

* Removes embedded dirt providing a completely clean and finish-ready surface by emulsifying dirt and residual particles of old wax or coating.

* Meets or exceeds MIL-B81705B, NFPA 56A

* Coverage approximately 5000 sq. ft. per diluted gallon
(diluted 1 part to 4 parts water)

Available in concentrate form only:
3.8 Litre bottle - 4 bottles per case
18.9 Litre pail -5 pails per case
204.4 Litre drum
